All-tile swimming pool and spa in Gold Iridescent Aquamarine

All-tile pool and spa in a mix of Gold Iridescent Steel Blue, Bronze, and Silverado

Gold Iridescent Collection Glass Tile Features

- Manufactured in 2"x2" and 3"x3" sized tiles
- Reversible -- shiny and smooth on one side, reversing to a textured side with gold, bronze, burnt-oxide rich iridescent colors
- Edges and corners are smooth to the touch
- Exceptional clarity, visually complex, and permanent internal coloring
- Clear, front-surface tape mounting available in patterns of: all shiny, all textured, or a mix of both sides of the tile
